Please include the application form as an attachment. Please summarize all other documents in a second attachment (pdf with max. 3 MB).

Proof of language skills

If you apply for a year abroad at the Spanish partner universities as well as at PUCP/Lima, at least basic knowledge of the Spanish language at level A2 of the European Framework of Reference must be proven at the time of your application with the following documents:

- recognized language tests or language certificates (DELE) or
- a current placement test of the Language Center of Leuphana

<https://www.leuphana.de/en/institutions/language-center/slz/language-placement-tests.html>

The selection is made by a selection committee. There will be a waiting list of applicants. The confirmation of admission will be sent in writing within 2-3 weeks to the address given on the application letter. Please refer to the admission letter for the deadline for acceptance of the study place with the form enclosed with the admission.

The official transfer to the Major Environmental and Sustainability Studies with integrated exchange year takes place automatically with the start of the year abroad, i.e. in the winter semester 2023/24.
