

As a humanistic, sustainable and action-oriented university, Leuphana University of Lüneburg stands for innovation in education and science. Methodological diversity, interdisciplinary collaboration, transdisciplinary cooperation with practice and an overall dynamic development characterise its research profile in the fields of education, culture, management and entrepreneurship as well as sustainability. Its study model with the Leuphana College, the Leuphana Graduate School and the Leuphana Professional School has won many awards.

**The Institute of Management, Accounting & Finance (IMAF) at the Chair of Business Administration, esp. Accounting, Auditing & Corporate Governance (Prof. Dr. Patrick Velte) has vacancies for**

### **Research Assistants**

(EG 13 TV-L)

with 50% of the regular weekly working time of a full-time employee for a total period of 4 years.

The position will be filled within the framework of a cooperation agreement with three medium-sized accounting and auditing firms in Hamburg and Bremen and funded by them. The project envisages that the person to be recruited will work at Leuphana University for 6 months per year for his/her own further academic qualification and will be granted 6 months leave of absence with loss of remuneration in order to work practically in the company location during this time. Remuneration will be paid by the company during this time.

#### **Your tasks:**

- Scientific services, in particular supervision of students
- Own further scientific qualification (cumulative doctorate on the basis of English-language journal publications).

#### **Your profile:**

- completed academic business studies (Master's degree or equivalent) with a focus on finance and/or accounting
- above-average grades in all subjects
- Very good oral and written German and English skills
- Ability to work scientifically
- relevant practical experience
- strong interest in research and empirical research methods
- Knowledge of empirical-quantitative research methodology including the necessary software and databases (e.g. STATA, Datastream/Asset4, Compustat)
- Organisational and communication skills as well as the ability to work in a team, flexibility and initiative

#### **Our offer:**

- an inspiring working environment as part of the university community of researchers, lecturers, students and staff in technology and administration,
- a workplace at one of the most beautiful university locations in Germany in a former barracks with an internationally acclaimed central building by Daniel Libeskind and the directly adjacent Wilschenbruch nature reserve,
- flexible and family-friendly working hours within a time frame of 6 a.m. to 9 p.m.,

- flexible and family-friendly options for alternating between presence work and mobile work,
- a wide range of internal and external training opportunities,
- a wide range of sporting activities sponsored by the university, which employees can take advantage of for one hour per week during working hours,
- a university-sponsored catering service for lunch and dinner in the refectory,
- a job ticket for the Hamburg public transport system sponsored by the university,
- very good accessibility by public transport (various bus routes from Lüneburg station) or with the Lüneburg city bike (30 free minutes for each ride)
- the possibility to borrow cargo bikes for employees of the university
- an additional company pension scheme through the Versorgungsanstalt des Bundes und der Länder (VBL).

Leuphana University of Lüneburg promotes professional gender equality and heterogeneity among its members. Applications from people with severe disabilities will be given preferential consideration if their qualifications are equal. We look forward to receiving your application.
