# BETWEEN THE WAGE AND THE COMMONS

Reflecting on the objectives of the 1970s international campaign for wages for housework, Silvia Federici examines the main changes that have occurred in the organization of reproductive work during the last four decades and the struggles that women worldwide are making to resist the destruction of their social and ecological environment and construct a more just society

**LECTURE BY  
SILVIA FEDERICI**

**TUESDAY 6  
JUNE 2017  
6:15PM, C.HS 3**

⊕ ORGANISED IN COOPERATION
