

# DOWN WITH LOVE: FEMINIST CRITIQUE AND THE NEW IDEOLOGIES OF WORK

Kathi Weeks will draw on the 1970s feminist critiques of love, romance, and feminine fulfillment to develop a critique of the popular mandate to 'love your work' and the burgeoning literature on 'happiness at work'.

**Kathi Weeks** is a Professor in the Program in Gender, Sexuality & Feminist Studies at Duke University and author of *The Problem With Work*, published by Duke University Press.
