Research Proposal (max. 800 words in total)

Abstract (max. 250-300 words)

- ➔ Project title:
- ➔ Project keywords (5 max.):

What research question would shape your work during your time at the LIAS in Culture and Society?

In what ways does your research correspond to the research aims and goals of the LIAS in Culture and Society?

What are the desired outcomes of your research?

Synergy potential (max. 500 words)

Why is the LIAS in Culture and Society in particular suited to work on your research question?

How do you think your time at LIAS and the collaboration with the LIAS community would enrich your work?

Would you like to contribute to LIAS and its community, for example by hosting workshops, panel events, outreach formats, etc.?

Fellowship planning and organization

Do you plan for your partner/family to accompany you to Lüneburg during your fellowship?

If yes, who would be joining you during your stay (partner, children)

Fellowships generally last one year. If you need to plan a shorter stay (minimum 6 months), please specify the period from when to when.
