

ACCOMMODATION OPPORTUNITIES

Lüneburg is short on accommodation opportunities in September. Therefore we made pre-reservations in some hotels (page 1-2). You can book a room by mentioning the key word "ITD Conference 2017". Please notice that some pre-reservations expire at the end of April 2017. We also listed hotels (page 3) and hostels (page 4) where no pre-reservations are made. There are also opportunities in Hamburg within easy reach by public transport. Please check those as well.

If you have problems to attend to the conference due to financial issues please contact us and we will try to organize a place to stay with colleagues or students.
