CHECKLIST INTERNSHIP

The first step in finding a promising internship is to clarify your own wishes and objectives. This checklist can help you to reflect on your goals.

What experiences are particularly important to you in your internship? Select the three most important objectives.

I would like to...

to get to know an area that I can imagine as a prospective career field.	<input type="checkbox"/>
get to know another country or culture.	<input type="checkbox"/>
improve my language skills.	<input type="checkbox"/>
gain an additional qualification.	<input type="checkbox"/>
get to know a particular industry.	<input type="checkbox"/>
get to know a specific field of activity.	<input type="checkbox"/>
earn money alongside my studies.	<input type="checkbox"/>
improve specific professional skills.	<input type="checkbox"/>
find a topic for my thesis.	<input type="checkbox"/>
get to know potential prospective employers.	<input type="checkbox"/>
expand my professional network.	<input type="checkbox"/>
get socially engaged.	<input type="checkbox"/>
use the time between my Bachelor's and my Master's degree.	<input type="checkbox"/>

In which sector do you want to do your internship?

How long should your internship last?

What is important to you when choosing an employer and/or organization/company?

Which professional skills do you want to acquire?

Which interdisciplinary skills would you like to develop?

Which personal experience would you like to gain?

Which skills do you bring along?

How does the internship relate to the content of your studies?

Which internship can enhance your professional profile / CV?

On the Career Service website you will find further helpful information that assist you in your search for available internships. We are also happy to provide you with personal advice.
