

FACTSHEET  
**BA IN CULTURAL STUDIES:  
ORGANIZATION, SOCIETY, AND  
THE ARTS**

This program examines culture in relation to organizations, institutions, and social change. Students are prepared to engage with cultural and organizational change in academic and professional settings through a combination of critical theory, empirical research methods and practice-oriented project work.

15 July

## APPLICATION & ADMISSION

**Entry requirements:** university entrance certificate, English language certificate

**Admission process:** selection via grades, achievements & optional aptitude test

## HIGHLIGHTS

1. The program explores both, the cultural and artistic practices as well as the organizational frameworks that shape cultural production and management, opening up a wide range of career prospects.
2. Interdisciplinary approach - the program combines cultural studies with social and organizational perspectives to foster critical and analytical thinking.
3. As a bachelor's degree in cultural studies fully taught in English, it offers an internationally oriented academic environment.

# WHY STUDY AT LEUPHANA UNIVERSITY?

1

## **INNOVATE STUDY MODEL**

Bachelor's degree with Leuphana semester, major, minor and complementary studies: you combine specialist knowledge with interdisciplinary perspectives.

2
