Information and support for your teaching can be found on the Teaching Portal [www.leuphana.de/lehre](http://www.leuphana.de/lehre) under:

## DIGITAL TOOLS AND AI IN TEACHING

Moodle as a learning management system & digital tools, such as classroom response systems, digital whiteboards and the use of AI tools, can significantly support teaching and learning processes. On the website, you will find information and materials on how to use the tools provided by Leuphana and their fields of application.

## PROFESSIONAL DEVELOPMENT

The professional development programme offered by the teaching service provides opportunities and inspiration for developing and expanding teaching-related skills. In addition to workshops and training courses, the Blended Learning Certificate in Teaching Competence is offered for teachers who want to receive fundamental higher education didactic training.

## EXCHANGE AND INFORMATION

The Teaching Service, in cooperation with current projects for teaching development, offers teaching staff and other institutions a variety of formats and events, such as 'Leuphana Salon' and 'Tag der Lehre'. These enable an open and constructive exchange for the further development of study programmes and teaching.

## TEACHING SERVICE

The teaching service supports teachers in the preparation, realization and further development of courses. At the interface between the operational and strategic levels, the focus is on a wide range of support and counselling services, as well as opportunities for further individual qualification.
