LIVE MUSIC & INTERNATIONAL BAZAAR

MAY 27TH, 2022, 7:00 PM; BUILDING 9, 1ST FLOOR

This time be prepared for a musical and culinary experience!

For this month's event, there will be an open stage where everyone who wants to can perform. For the opening, we have the student band "Lavanda". Afterwards, it's open house, so that other people can jam, too. If you want to join us with your group, please feel free to send us an email!

We will also set up a small "bazaar". For that, everybody is invited to bring a typical dish from his or her culture. We will prepare some things, but we are also looking forward to the snacks and dishes that you bring to share with everyone!
