

# **Research Trips to the Presidential Archives of LB Johnson (Austin, TX) and the Rockefeller Archive Center (Sleepy Hollow, NY)**

09.11.2015 In November 2015 Isabell Schrickel travelled to the Presidential Archives of LB Johnson in Austin and the Archives of the Ford Foundation, which are held by the Rockefeller Archive Center in Sleepy Hollow, New York.

She collected documents for her PhD thesis on the history of the International Institute for Applied Systems Analysis (IIASA) that provide information about the role of international scientific collaboration for the bridge-building policies of the Johnson administration.
