

Gender-Governance-Link Workshop at the CSD

The Gender-Governance-Link (GGL) is a collaborative research project directed jointly by Professors Amy Alexander (University of Gothenburg), Stephan Klasen (University of Goettingen) and Christian Welzel (Leuphana University). The project is funded by Lower Saxony's ministry of science and culture (MWK) under the program "gender - power - knowledge" (Geschlecht, Macht, Wissen). The grant sum amounts to 370.000 Euro. The GGL project group now organizes their fourth progress workshop at Leuphana. Program
