

Award ceremony „Ausgezeichneter Ort im Land der Ideen" 17 October 2016, 17-19, HS4

Leuphana University was chosen as a "Ausgezeichneter Ort im Land der Ideen" with its project "Zukunftsstadt Lüneburg 2030+". This underlines the strong involvement of the university in the urban live and its contribution to a sustainable development of the city Lüneburg. Within the project "Zukunftsstadt Lüneburg 2030+" representatives of the city work together with students and researchers on visions and implementations for a sustainable Lüneburg. Thereby the UN Sustainability Goals, that have been adopted in September 2015, are interpreted in a local level.

For more information, please visit the projects website.

The award ceremony takes place on October 17 from 17 to 19h in HS4.
