

CCP as co-organizer of ITD-Conference 2017

Leuphana University Lüneburg and the Network for Transdisciplinary Research of the Swiss Academies of Arts and Sciences co-organized the International Transdisciplinary Conference 2017 - Intercultural Endeavours, that took place at the new Zentralgebäude at Leuphana University Lüneburg between September 11th and 15th.

The CCP team cooperated in the following fundamental roles and formats:

- Organization

- o Strategic Conference Board: Ulli Vilsmaier (core team), Daniel Lang
- o Organization Team: Ina Dubberke
- o Extended Organization Team: Jeremias Herberg, Guido Caniglia, Esther Meyer

- Session Moderation and Organization:

- o **To control or not to control? Social and epistemic dilemmas of control**

Jeremias Herberg (Organization & Moderation)

- o **Brokering beyond education**

Jeremias Herberg (Moderation)

- o **Social dependencies in transformative transdisciplinary**

research

Esther Meyer (Moderation)

- o **Climate Change and transdisciplinarity**

Isabell Schrickel (Moderation)

- o **Modes and impact of transdisciplinary research - concepts, methods, processes and case-based evidence**

Matthias Bergmann, Alexandra Lux, Lena Theiler, Thomas Jahn, ISOE - Institute for Social-Ecological Research, Frankfurt a.M., Germany; Martina Schäfer, Emilia Nagy, Center for Technology and Society, Technische Universität Berlin, Germany; Stephanie Jahn and Jens Newig, Research Group Governance and Sustainability, Leuphana University Lüneburg, Germany, Judith Kahle and Daniel J. Lang, Institute for Ethics and Transdisciplinary Sustainability Research, Leuphana University Lüneburg, Germany (organization)

- o **Transformational learning in transdisciplinary processes**

Daniel Lang (Moderation)

- Talks:

- o **Transdisciplinary research topographies**

Ulli Vilsmaier

- o **Transdisciplinarity sustainability studies between deliberation and technocracy - mapping of a bipolar field**

Jeremias Herberg

- o **Controlling for evidence. What role can experiments play in**

transformational sustainability science?

Guido Caniglia

- o **A philosophical perspective on reflexive problem solving and transdisciplinarity**

Gregor Schmieg

- o **Problems of transdisciplinary Sustainability Sciences. An approach to diagnoses** *Esther Meyer*
- o **Learning from diversity - integrative principles for transdisciplinary research**

Philip Bernert, Leuphana University of Lüneburg, Institute of Ethics and Transdisciplinary Sustainability Research, Germany, Marie Josefine Hintz, Leuphana University of Lüneburg, Institute of Ethics and Transdisciplinary Sustainability Research, University College London, The Bartlett School of Architecture, United Kingdom, Judith Kahle, Leuphana University of Lüneburg, Institute of Ethics and Transdisciplinary Sustainability Research, Germany, Jana Koltzau, Faculty of Sustainability, Leuphana University of Lüneburg, Germany, Dagmar Moelleken, Faculty of Sustainability, Leuphana University Lüneburg, Germany, Julius Rathgens, Faculty of Sustainability, Leuphana University Lüneburg, Germany, David Abson, Project Leverage Points for Sustainability Transformation, Faculty of Sustainability, Leuphana University of Lüneburg, Germany, Daniel J. Lang, Leuphana University of Lüneburg, Institute of Ethics and Transdisciplinary Sustainability Research, Germany, Henrik von Wehrden

- o **Place-based transdisciplinary research for sustainability transformation: the case of Transylvania, Romania**

Andra Horcea-Milcu, David Lam, Daniel Lang

- o **Does transdisciplinarity improve academic and societal research**

outcomes? Empirical results from a large-N comparative study

- o *Stephanie V. Jahn, Judith Kahle, Jens Newig (Lüneburg, DE), Matthias Bergmann (Frankfurt a.M., Berlin), Daniel J. Lang, (Lüneburg, DE)*

Abstracts,

see http://www.leuphana.de/fileadmin/user_upload/PERSONALPAGES/_uvwxyz/vilsmaier_ulli/files/ITD17_booklet_26.9.17.pdf

- Plenary Discussion:

- o **Opening Panel: Polylog on transdisciplinary research and education as intercultural endeavours**

Ulli Vilsmaier (Coordination & Moderation)

- o **Panel on research integration and implementation - commonalities and differences between diverse communities:**

Ulli Vilsmaier (Discussant)

- o **Panel on teaching and learning in transdisciplinary environments. Preparing the next generation for navigating between different environments:**

Daniel Lang, Esther Meyer (Panelists)

- Special Meetings:

- o **Modes of sustainability related research in comparison (MONA) - final symposium:** *Daniel J. Lang, Institute for Ethics and Transdisciplinary Sustainability Research, Leuphana University of Lüneburg, Jens Newig, Institute for Environmental and Sustainability Communication, Research Group Governance and Sustainability, Leuphana University of Lüneburg, Judith Kahle, Institute for Ethics and Transdisciplinary Sustainability Research, Leuphana University of Lüneburg, Stephanie V. Jahn, Institute for Ethics and Transdisciplinary Sustainability Research & Research Group Governance and Sustainability, Leuphana University of Lüneburg, Matthias Bergmann, ISOE - Institute for Social-Ecological Research, Frankfurt a.M., Germany*
- o **Leuphana-KLASICA Workshop of the Knowledge, Learning, and Societal Change Alliance - Fostering collective behaviour change toward sustainable futures: models, narratives and experiments**
Ilan Chabay, Head of International Fellowships, Incubator, and the Knowledge, Learning, and Societal Change International Research Alliance at the Institute for Advanced Sustainability Studies, Germany and Daniel J. Lang, Leuphana University of Lüneburg, Germany

Documentation of the Special Meetings,
see <http://www.leuphana.de/zentren/methodenzentrum/konferenzen-veranstaltungen/itd-conference-2017/special-meetings.html>

- **Excursion: City of the Future - Lüneburg 2030+**

Daniel J. Lang, Annika Weiser, Antje Seidel

- **Forum for Young Researchers Engaging with Transdisciplinarity**

Esther Meyer (organization), Daniel Lang (expert)

Datum: 2017-11-28
