

International Conference on Political Executives

From March 14 to 16, an international group of renowned colleagues in the field of political executive studies will meet at the Center for a conference. Among them are Rudy Andeweg (University of Leiden), Robert Elgie (Dublin City University), Ludger Helms (University of Innsbruck) and Juliet Kaarbo (University of Edinburgh). The conference is directed by Ferdinand Müller-Rommel (ZDEMO, Leuphana). The experts will discuss the content of their book on "Political Executives" which will be published with Oxford University Press in 2019.
