

# New and Online: Impulses for Teaching

Whether concrete teaching method, didactic approach, feedback format, planning aid or much more - on the new website, the teaching service offers impulses from teaching for teaching.

Currently you can already find these topics on the website:

- **Adobe Connect**
- **Active Plenum**
- **Classroom Response Systems (CRS)**
- **Silent Debate/Silent Discussion**

In addition, the following topics are already being prepared for you: Project Learning, Transdisciplinary Teaching, SHIFT, Topic Centered Interaction (TCI).

The collection will be continuously expanded - also by impulses from your side.

Feel free to contact the teaching service team at any time or send an e-mail to: [lehrservice@leuphana.de](mailto:lehrservice@leuphana.de)!
