

How to support inter- and transdisciplinary degree thesis?

2018-11-23 one-day workshop (eduITA #6)

25 researchers asked themselves this question during the workshop (eduITA #6) of the Postgrados de Sustentabilidad of the Universidad Nacional Autonomy de México (UNAM). The Workshop was arranged from the Methodology Centre of the Leuphana University Lüneburg in cooperation with the Nodo de Transdisciplina Red SocioEcoS and was hosted by CONACyT, Mexico.
